

Base Beca

Ofrecimiento N°: 12367

Curso:
EULALinks

Descripción:
All mobilities within the EULALink programme should be linked with the following study fields. Some partner universities may limit the acceptance of applications to certain faculties or programmes only. Please consult the web pages of individual universities for more detailed information on suitable courses and study programmes or research projects.

Agricultural Sciences
Architecture, Urban and Regional Planning
Business Studies and Management Sciences
Education, Teacher Training
Engineering, Technology
Geography, Geology
Law
Mathematics, Informatics
Medical Sciences
Natural Sciences
Social Sciences
Communication and Information Sciences
Other Areas of Study: Renewable Energy, Climate Change, Human Rights

Targets groups:

TG I: Students that are registered at one of the Latin American Partner universities in EULALink or the Partner universities of EULALinks Sense at the time of submitting their application to the partnership. Undergraduate students must have successfully completed at least one year of studies in their home institution.

Mobility levels available: undergraduate, master, doctorate, post-doctorate

TG II: Students that are either registered in a Higher Education Institution (HEI) (not included in the partnership) of one Latin American country concerned by the lot or to have obtained a university degree or equivalent from a HEI of these countries.

Mobility levels available: master, doctorate, post-doctorate

TG III: Students of one of the Partner countries and be part of the vulnerable target group. For example:

- 1) having a refugee status or asylum beneficiaries or
- 2) it can be proved that they have been the object of unjustified expulsion from university on racial, ethnic, religious, political, gender or sexual inclination or
- 3) they belong to an indigenous population targeted by a specific national policy or IDPs (Internally Displaced Persons)

Mobility levels available: undergraduate, master, doctorate, post-doctorate

Programmes and study periods

Please see the partner university websites to see the programmes they offer. Check also the recommended starting date for studies, for mobilities at doctoral or postdoctoral level, or for staff exchanges from the host universities, before entering the online application system.

Students: what is the purpose of your mobility, non-degree studies or a full degree? The purpose of mobility needs to be decided prior to applying. Please read the description of non-degree and degree studies.

The Online application closes on 5 February 2016, 2 p.m. Central European Time, (UTC+1).
