

### **Entries must include:**

Title in Spanish and English. Full names of authors and institutional affiliations. Report from the corresponding author with an asterisk (\*). Using numeric indexes above at the end of the full names to distinguish different authors with institutional affiliations.

Abstract will be included in Spanish and English, with an extension of 200-250 words and between four and five key words in both languages. In the case of book reviews will not be necessary.

We will use the International System of Units and the comma (,) in the figures.

Tables and figures should be inserted in the body of the text and be optimized for black and white printing and preferably in vector formats.

The acceptance of papers will be subject to assessment for each thematic workshop's Scientific Committee.

The papers will be published in the proceedings of the conference. A selection of papers will be published in the Revista Cubana de Ciencias Informáticas RCCi (<http://rcci.uci.cu>, [rcci@uci.cu](mailto:rcci@uci.cu)), indexed by SciELO

### **IMPORTANT DATES**

**June 15, 2016:** Deadline for full paper submission

**July 15, 2016:** Acceptance notification

**November 24-26, 2016:** UCIENCIA Conference

Phone: +(53) 7 837 2577/78

### **SCIENTIFIC COMMITTEE**

PhD. Ailyn Febles Estrada, Presidenta

PhD. Natalia Martínez Sánchez

PhD. Yaimí Trujillo Casañola

PhD. Rosa Alicia Vázquez Cedeño

PhD. Liliana Casar Espino

PhD. Rafael Rodríguez Puente

PhD. Pedro Y. Piñero Pérez

PhD. Mario González Arencibia

PhD. Febe Ángel Ciudad Ricardo

PhD. Jorge Gulín González

MSc. Delly Lien González Hernández

MSc. Damaris Cruz Amarán

### **ORGANIZING COMMITTEE**

PhD. Miriam Nicado García, Presidenta

PhD. Ailyn Febles Estrada

PhD. Natalia Martínez Sánchez

PhD. Raydel Montesino Peruena

Lic. José Manuel de León Cano

MSc. Elisabet Milagros Bordallo López

MSc. Silvano Merced Len

MSc. Reinaldo Rosado Roselló

MSc. Rafael Luis Torralbas Ezepeleta

### **EXECUTIVE SECRETARY**

PhD. Ruber Hernández García

Eng. Nadiela Milan Cristo

### **REGISTRATION FEES**

» National Delegates: \$200.00 CUP

» Foreign Delegates: \$200.00 CUC

Informáticas

## **UCIENCIA 2016**

Second International Scientific  
Conference of the University of  
Informatics Science

**THIRD CALL**

Havana, November 2016

The University of Informatics Sciences invites domestic and foreign professionals related to training activities and research and development in the field of information technology and computer science and its applications to participate in the II International Scientific Conference UCIENCIA to be held from 24 to 26 November 2016 in Havana, Cuba.

## OBJETIVES

- » Provide a space for the exchange of experiences, thoughts and results about the scientific-technical activities, R & D & i and training in the field of computer science.
- » Update participants on topics of high impact of science and technology.
- » Disseminate the results of research in these fields.
- » Promote cooperation between domestic and foreign institutions involved in computing and computer science.

## TOPICS

1. Free software and its applications
2. Artificial Intelligence and its applications
3. Impact of information technology and communications in Society
4. Project Management
5. Computational Mathematics and High Performance Computing
6. Engineering and Software Quality
7. Training Models in Computer Science
8. Educational Technologies
9. Lifelong learning of Computer Specialists
10. Virtualization of teaching and learning of Informatics
11. Quality Assessment and Accreditation of teaching careers related to Computer Science
12. Management of academic activities in teaching Computer Science
13. University extracurricular activities in the training of specialists in computer science
14. Link university-society-software industry in the training of specialists in computer science

## WORKSHOPS AND CHAIRS

- VI International Workshop on Free Software  
Organizer: MSc. Delly Lien González Hernández
- V International Workshop on Artificial Intelligence  
Organizer: PhD. Natalia Martínez Sánchez
- II International Workshop on Impact of ICT on Society  
Organizer: PhD. Mario González Arencibia

II International Workshop on Project Management

Organizer: PhD. Pedro Yobanis Piñero Pérez

II International Workshop on Computational Mathematics

Organizer: PhD. Jorge Gulín González

II International Workshop on Engineering and Software Quality

Organizer: PhD. Yaimí Trujillo Casañola

II Symposium: Teaching Computer Science

Organizer: PhD. Febe A. Ciudad Ricardo

I International Workshop on Extracurricular Activities in College

Organizer: MSc. Damaris Cruz Amarán

## PRESENTATION AND PUBLICATION

Document in no more than 15 pages, using Microsoft Office Word or Open Office Writer. The font used is Times New Roman 11 points and paper dimensions 21.59 cm x 27.94 cm (Letter). The top and bottom margins are at 3.81 cm and 1.2 cm shall be left to the right and 2 cm for the left. The text should be written with 1.5 spacing and a blank line as a separator between sections. In addition, you must meet the editorial standards of the Revista Cubana de Ciencias Informáticas (Cuban Journal of Computer Science), which can be consulted in <http://rcci.uci.cu> Papers should be uploaded by the authors in the official website of the conference: <http://uciencia.uci.cu>
