Observaciones:

Korean Language Course

- All scholars, unless exempted, must take one year of Korean language course in the designated language institution by NIIED. Once scholars are designated at the institution, it cannot be changed.
- Research scholars are exempted from Korean Language Course.
- During Korean language learning, scholars are supposed to stay at the dorm of language institution with a roommate, thus cannot bring their family.
- Exemption from the Korean language course requirement: Korean proficiency at

TOPIK Level 5 or 6 (with certification).

- Scholars who have surpassed TOPIK Level 5 or 6 must start their degree course without the Korean language course starting from September 1st, 2015.

- Only the scholars who will have passed at least Level 3 of TOPIK (the Test of Proficiency in Korean) after one year of Korean language course are permitted to start their masters or doctoral program.

- Scholars who do not pass at least TOPIK Level 3 after one year of Korean language course must complete an additional six-month coursework in the Korean language.

- Language Institution : NIIED has designated about 10 language institutions for the Korean language course.

* The main language institution placement principle is different area from the finally chosen university of scholars in order to provide a chance of exploring variable Korean cultures and immerse on Korean language learning with professional environments for scholars
